

Important Information From Staircraft

The COVID-19 situation continues to develop rapidly and in light of last night's Government guidance **we have decided to pause operational activity with immediate effect.**

This decision has not been taken lightly but the safety of our people, our customers and the communities in which we serve will remain our number one priority. We will continue to review the Government guidance as it emerges and our decision will be reviewed on an ongoing basis.

We appreciate your ongoing support and will be reviewing the situation continuously. An internal team is available via the usual channels to ensure we are in a position to meet your needs, meanwhile we wish you and your colleagues the best of health.
