

# Cut Waste By 20-30% Per Plot

Our Unique Waste-Free Factory Cut Decking will improve your sustainability credentials

Here's a powerful example, if every new home built in the next 12 months moved to Staircraft's Waste-Free Cut Decking that will result in:

- ✓ 20,000 less 4 yard Skips being required per annum
- ✓ 36,000m<sup>3</sup> less waste in landfill per annum
- ✓ That's 1 million less sheets of chipboard needed per annum

## Developed By Staircraft

- ✓ All boards pre-cut, avoiding the need to cut on site and eliminating dust
- ✓ Supplied with a full decking layout showing all full and cut boards – ready to install
- ✓ EXACT number of boards provided – no need to order additional decking, keeping within budget
- ✓ Easier install with fewer large boards to handle
- ✓ Quick access to installation details via QR code on each cut decking sheet
