

Unique Pre-Assembled Staircases

Save up to 3 Hours Labour – Only Available from Staircraft

Here are a few of our unique features, for a fast, safe, high quality installation.

Pre-Formed Balustrades Cut to Length/Pitch
With unique quick-fit connectors at each end, ensuring tight demountable connections 

Factory Fixed Newel Caps
Eliminating the risk of being lost or damaged when fixed on site 

Stepped Bulkhead
Provides increased headroom and swept strings giving a consistent finish beneath the stair 

Concealed Unique Winder Support Bracket
Self-supporting, avoiding the need for full height newel posts, creating more space beneath 

Factory Primed and Undercoated
Just 1 top coat to finish 

Optimal Fixing Points Pre-Drilled on Wall Strings
