

# New Top Nosing Detail

Staircraft are now supplying a new multi-purpose trunk nosing with all stairs. The new nosing is compatible with either 18mm or 22mm thick flooring.

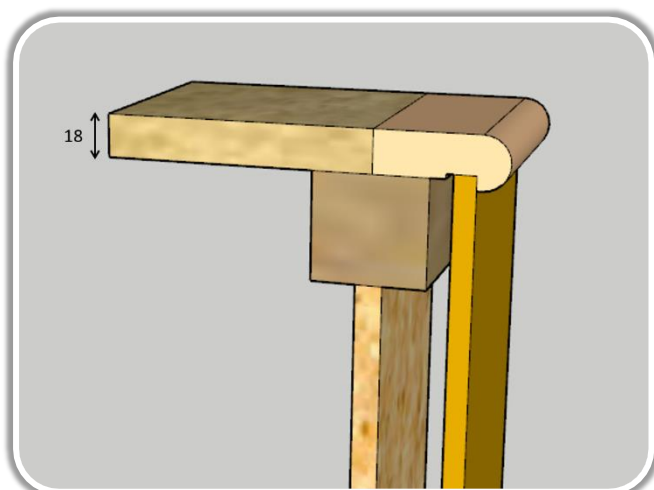

**New nosing fitted with 22mm flooring.  
No adjustments are required.**

**For floors with 18mm flooring, simply remove the 10x4mm section marked red with a chisel.**

**Once the back edge of the nosing is removed it will sit flush with 18mm flooring.**
