CALL-OFF

Please note that the last date to call-off for deliveries in 2022 will be WK44. 2023 deliveries to be confirmed

Last week for Call-Off 2022

Please note: During peak times there will be a limit of 6 plots per product per week for any one site. Call-Offs received on the Friday of any week will be treated as the Monday of the following week. Delivery date quoted is the first available week - a later delivery week can be requested. All 2nd fix deliveries are automatically scheduled for 2 weeks later unless requested otherwise. There may be a limit on the number of staircases per delivery on bank holiday weeks.

**IMPORTANT:** Call-Offs/orders that fail to confirm plot, type, hand and finished floor levels will not be processed. Staircraft are unable to accept responsibility for following up call-offs that do not include the aforementioned information. You can choose the week commencing delivery date, however we are unable to confirm the actual day of the week.
