

We asked Site Managers what they need for a smoother site install. Their feedback in a nut-shell...

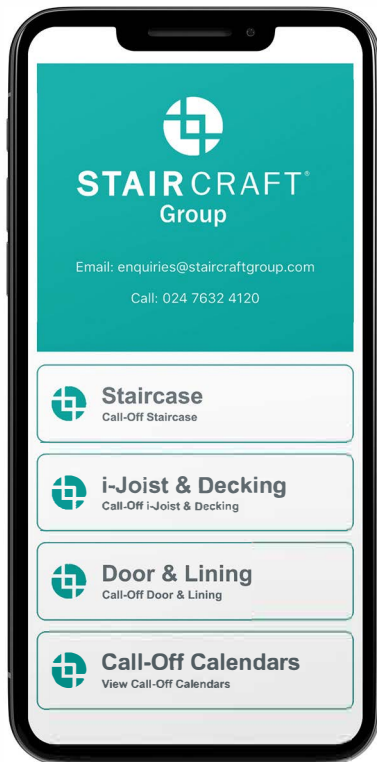

"Build timelines constantly change, please give us the flexibility to schedule our call-offs".

STAIRCRAFT[®]

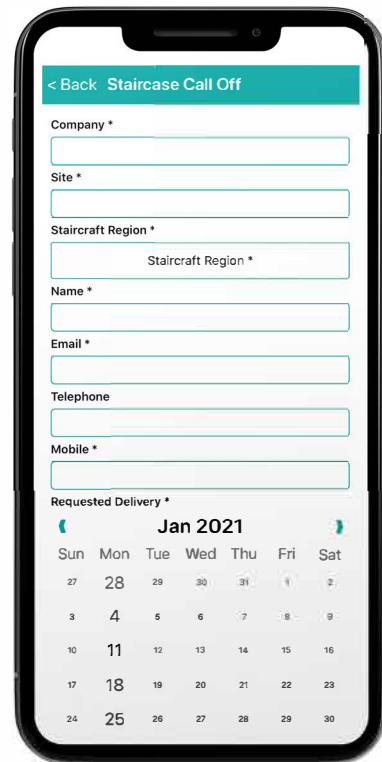

CALL-OFF

1 Download Our Call-Off App

2 Select Product, Enter Your Information & Select Your Week of Delivery

3 After Submission

- ✓ You will receive an email confirming your submission.
- ✓ Your call-off will now be sent straight to our Internal System to process your call-off request.
- ✓ As soon as the call-off has been processed you will receive a call-off confirmation confirming all delivery dates.

Automated
Delivery
Updates

It really is as easy as that!
