

Get On Site Support with Our Site Liaison Team

You told us that your site teams really value the support we offer and we are therefore pleased to announce we have recently invested in expanding our Site Liaison Team to offer additional services.

- Our Site Liaison team are available to provide on-site support to ensure things run smoothly and any issues can be dealt with
- Sharing our expertise by carrying out Pre-Start/ToolBox Talks when a new site starts up
- Demonstrating on how to use our Install, Call-Off & Customer Service Apps
- Offering on-site technical advice on the installation of all Staircraft products
- We liaise directly with your contractors, saving time for site managers and site staff

"Our feedback shows 99% of Site Managers want Staircraft products on their next site"

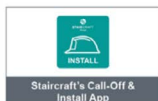

Here's what our customers have been saying;

"Had a visit from the Staircraft Site Liaison Team recently and was delighted with the outcome. They were helpful, patient and informative, greatly expanding my knowledge of the product. This service once again has shown the added value Staircraft offer as a supplier."

Site Manager, Major Housebuilder
