

# Guaranteed Cost Savings With Our On-Site Support Team

***“Staircraft are the best in class when it comes to supplier engagement and information available to site teams and carpenters.”***

We really do understand the daily pressures on site, so we’ve expanded our Site Liaison Team who go the extra mile to ensure you have all the information you need for a problem-free installation.

- ✓ Sharing our expertise by carrying out Pre-Start/Tool Box Talks at new sites
- ✓ Resolving install issues through on-site technical advice
- ✓ Directly liaising with your contractors
- ✓ Demonstrating our Install and Call-Off Apps

**We guarantee this will save on remediation costs and help avoid low CQR scores.**

Looking to book your site liaison visit? Get in touch with your designated contact or email [SLT@staircraftgroup.com](mailto:SLT@staircraftgroup.com)
