Please note that the last date to Call-Off for deliveries in 2024 will be WC 44. 2025 deliveries to be confirmed.

Please note: During peak times there will be a limit of 6 plots per product per week for any one site. Call-Offs received on the Friday of any week will be treated as the Monday of the following week. Delivery date quoted is the first available week – a later delivery week can be requested. All 2nd fix deliveries are automatically scheduled for 2 weeks later unless requested otherwise. All lead times are subject to change.

Download Our Call-Off App.

For Preferential Dates & Automated Delivery Updates.

IMPORTANT: Call-Offs/orders that fail to confirm plot, type, hand and finished floor levels will not be processed. Staircraft are unable to accept responsibility for following up call-offs that do not include the aforementioned information. You can choose the week commencing delivery date, however we are unable to confirm the actual day of the week.
