

Quality pre-assembled staircases

Our pre-assembled staircases ensure fast, safe and high quality installations every time. Discover a few of our unique staircase features...

Pre-formed balustrades cut to length/pitch

Unique quick fit connectors at each end, to ensure tight demountable connections.

Factory fixed newel caps

Eliminating the risk of damage when being fixed on site.

Slip resistant peel clean tread protection film

Stepped bulkhead

Provides increased headroom and swept strings, giving a consistent finish beneath the stair.

Concealed winder support bracket

Unique to Staircraft. Self-supporting, avoiding the need for full height newel posts, creating more space beneath.

Optimal fixing points pre-drilled on wall strings

3x stronger connection on the tread/riser joint

Incorporates additional and longer glue blocks.

Factory primed and undercoated

Just 1 top coat to finish.

Temporary timber guardrail

The only EN 13374 temporary edge protection system using timber (optional).

Key:  Saves time  Saves money  H&S benefit  Avoids squeaks
